## INSTRUCTIONS TO EXHIBITORS

- **Judges listed in the schedule are subject to change if necessary. Order of classes and the rings they are in are subject to change in order to avoid events clashing and in order to finish rings together** While every attempt will be made when timetabling to avoid class clashes this cannot be guaranteed in a show of this size. Please note which classes the exhibit must or must not be plaited for and ensure you have time to do this between events. The order of classes will very likely change in an attempt to avoid the majority of clashes, but the day of competition will not. Start times are approximate and will be varied slightly to minimize clashes.
- **There will be no refunds of any kind** unless the show is cancelled and these will be issued according to the Show Regulations of the Society.
- **Stabling and camping** must be booked at the time of entry. As portable stables will need to be brought in, it will not be possible to allocate last minute stables if none are available and only as many as are needed will be ordered.
- **Stables – you may use whatever bedding you would like. There are a number of local feed and bedding distributors, a list will be made available shortly. Although no stable bond is required please be aware that should you damage a stable you will be invoiced for the cost of repair and failure to pay will result in refusal of entries in future years. Permanent stables need to be left clean although not stripped out, portable stables can be left dirty. Hooves must not be lacquered or blacked on the concrete around the stables – there is a fee of \$1100 imposed for this by Hawkesbury Show Society which the exhibitor will be invoiced for.**
- **For people who would like to pay someone to bed down &/or clean out their stables please contact Kirsty 0413688174 before the show.**
- **Donations towards awards** are very much appreciated. If you wish to donate towards a specific award, please advise.
- **Committee will not be held responsible for advertised sponsorship that is not forthcoming.**
- Swabbing for prohibited substances will be conducted at the show. It is a condition of entry that exhibitors always cooperate with the swabbing steward and veterinarian.
- There is an expectation that exhibits eligible for Supreme Awards will contest the award. Prize money for these qualifying events will not be paid until after the exhibit has competed in the Supreme. Failure to compete without an exemption from the Show Organizer will result in all prizes being forfeited.
- The WPCS of A Inc Regulations regarding **clipping of exhibits** will be strictly enforced. Part Welsh may be body clipped.
- Please note - you ARE ELIGIBLE to enter both Welsh & Hunter or Part Welsh & Hunter classes or Part Welsh & Open Show classes
- Please note that you ARE ELIGIBLE to enter both the Veteran and Open classes
- Show Pony classes – Part Welsh only eligible. You can enter Show Hunter or Show Pony classes but not both.
- Please refer to the Society Show Regulations (published in each edition of Action) for all events & in particular the definition of Novice.

### The criteria for the HOME PRODUCED awards are:

- **These classes are for home produced horses where both the handler/rider and horse meet the criteria for home produced. The handler is not required to own the horse they show but they and the registered owner and primary care giver of the horse competing must all be non-professionals. Having tuition and attending clinics is permitted.**
- **Horses must not have been resident in a professional or producer or trainer's stables for a period of at least 6 months prior to the competition. Any horse competing in a home-produced class must not have received its primary care, training and/or preparation from a professional, producer or trainer for a period of at least 6 months prior to the competition. Residence for stud/breeding work only is permitted.**
