INSTRUCTIONS TO EXHIBITORS

➤ **This event is subject to Federal & State Government Regulations as at the date of the event. NO person will be permitted access to the event should their contact details not have been recorded by the show organizers**

- **Judges listed in the schedule are subject to change if necessary. Order of classes and the rings they are in are subject to change in order to avoid events clashing and in order to finish rings together** While every attempt will be made when timetabling to avoid class clashes this cannot be guaranteed in a show of this size. Please note which classes the exhibit must or must not be plaited for and ensure you have time to do this between events. The order of classes will very likely change in an attempt to avoid the majority of clashes, but the day of competition will not. Start times are approximate and will be varied slightly to minimize clashes.
- **There will be no refunds of any kind** unless the show is cancelled and these will be issued according to the Show Regulations of the Society.
- All handlers and riders, including leading rein jockeys, must be covered by insurance. **A copy of the rear of the membership card which states which people are covered is required with entries. Insurance waivers must be completed and sent with entries for any person not noted on the membership card. There is no fee for this.**
- All geldings entered in gelding classes must have a gelding registration number allocated. All exhibits must have a registration number allocated and be transferred into the name of the owner.
- **Stables – you may use whatever bedding you would like. There are a number of local feed and bedding distributors, a list will be made available shortly. Although no stable bond is required please be aware that should you damage a stable you will be invoiced for the cost of repair and failure to pay will result in refusal of entries in future years. Stabling and camping must be booked at the time of entry.** As stabling is limited it will not be possible to allocate last minute stables if none are available.
- **Donations towards awards** are very much appreciated. If you wish to donate towards a specific award, please advise.
- **Committee will not be held responsible for advertised sponsorship that is not forthcoming.**
- Swabbing for prohibited substances will be conducted at the show. It is a condition of entry that exhibitors always cooperate with the swabbing steward and veterinarian.
- There is an expectation that exhibits eligible for Supreme Awards will contest the award. Prize money for these qualifying events will not be paid until after the exhibit has competed in the Supreme. Failure to compete without an exemption from the Show Organizer will result in all prizes being forfeited.
- The WPCS of A Inc Regulations regarding **clipping of exhibits** will be strictly enforced. Part Welsh may be body clipped. Welsh Mountain, Welsh Ponies (Section B), Welsh Ponies of Cob Type, Welsh Cobs & Welsh Geldings must not exhibit evidence of a body clip.
- **Please note that you ARE ELIGIBLE to enter both Welsh & Hunter or Part Welsh & Hunter classes or Part Welsh & Open Show classes**
- **Please note that you ARE ELIGIBLE to enter both the Veteran and Open classes**
- **New classes this year – Show Pony Exhibit – Part Welsh only eligible. You can enter Show Hunter or Show Pony classes but not both.**
- **Please refer to the Society Show Regulations (published in each edition of Action) for all events and in particular the definition of Novice.**
